# SSO-Coordinated Entry Grant Report

---

# NCCEH receives a CoC grant to support Coordinated Entry

- Operating year is September 1-August 31.
  - 2018-2019 was first year.
- NCCEH subgranted funds in 2018-2019 to support coordinated entry in Regions 2, 5, 10, 11, 12
- NCCEH is subgranting funds in 2019-2020 to also support Regions 3 and 13.

# 2018-2019 Report

- Accomplishments:
  - Better CE coverage
  - All SSO-CE regions have CE in HMIS
  - More participation in CE
- Challenges:
  - Slow start
  - Still incomplete data
  - Counties with few/no resources

# 2018-2019 SSO-CE subrecipients

- Agencies receiving subgrants from NCCEH in 2018-2019 were:
  - Thrive in Region 2
  - Community Link in Region 5
  - Hope Station in Region 10
  - Trillium Health Resources in Region 11
  - Pitt County Planning Department in Region 12

# CE coverage

- SSO-CE grantees were able to recruit new access points and expand coverage of permanent housing programs.
- But many counties still have few or no resources and little participation.

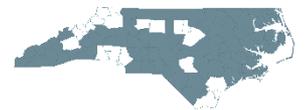

# CE in HMIS

- All five 2018-2019 SSO grantees' regions now use HMIS to track CE prioritization lists.
  - This was a longer and more difficult process than anticipated.
- There is now much richer data on CE, but it remains incomplete.
- CE data in HMIS showed gaps where shelters or other front door providers aren't consistently conducting VI-SPDATs or entering data quickly

# SSO-CE spending

- We are still finalizing final spending numbers but NCCEH and subrecipients will have spent around 85% of the grant in 2018-2019.
- Spending challenges:
  - Understanding the real cost of CE
  - Fitting CE activities into eligible SSO activities
  - Slow start due to Hurricane Florence

# SSO-CE APR

- This year it's mostly narrative. We will share the APR with the Steering Committee when complete.
- There are changes coming to the APR. New data standards go into effect April 1, 2020.

# Plans for 2019-2020

- Use data, expand coverage, improve flow to permanent housing in renewal regions
- Add SSO-CE coverage in Region 3 and 13
- Add full-time NCCEH staff to support regions without SSO-CE grants
- Add CE access through 2-1-1

# 2019-2020 Subrecipients

- Agencies receiving subgrants from NCCEH in 2019-2020 are:
  - Thrive in Region 2
  - Greater Hickory Cooperative Christian Ministry in Region 3
  - Community Link in Region 5
  - Hope Station in Region 10
  - Trillium Health Resources in Region 11 & 13
  - Pitt County Planning Department in Region 12

# 2020 PIT/HIC Count

---

# The PIT and HIC give us a picture of our homeless population & programs

## **Point-In-Time Count (PIT)**

Count of people experiencing homelessness

## **Housing Inventory Count (HIC)**

Count of the beds in the homeless system

Temporary: Shelters and Transitional Housing

While here, people are counted as experiencing literal homelessness in the PIT

Permanent: Rapid Re-housing and Permanent Supportive Housing

While here, people are not counted as experiencing homelessness

## **PIT and HIC counted at the same time**

Night of Wednesday, January 29, 2020

Snapshot of our system at a single point in time

# Who is included in the PIT & HIC?

<b>PIT:</b> <b>Literal Homelessness</b>	<b>HIC:</b> <b>Dedicated Homeless Programs</b>
Emergency Shelter (includes DV and seasonal shelters)	Emergency Shelter (includes DV and seasonal shelters)
Transitional Housing	Transitional Housing
Unsheltered Homelessness	Rapid Re-housing Permanent Supportive Housing
If they're not in one of these 3 locations on the night of January 29, do not count them in the PIT!	Dedicated homeless programs meet 3 criteria: <ol style="list-style-type: none"> <li>1) Primary intent is to serve people experiencing homelessness</li> <li>2) Homelessness status is eligibility requirement</li> <li>3) Actual program participants are experiencing homelessness</li> </ol>

# Many counties had difficulty finding unsheltered people in 2019.

## **27 counties counted '0' people experiencing unsheltered homelessness**

Stokes, Yadkin, Caswell, Chatham, Rockingham, Anson, Hoke, Johnston, Montgomery, Moore, Bladen, Columbus, Scotland, Edgecombe, Granville, Nash, Northampton, Sampson, Chowan, Currituck, Dare, Gates, Hyde, Tyrrell, Washington, Jones, Pamlico

## **22 counties counted '1-5' people experiencing unsheltered homelessness**

Cherokee (1), Graham (1), Madison (1), Swain (3), Polk (1), Rutherford (1), Alexander (4), Caldwell (4), McDowell (2), Alamance (4), Person (1), Halifax (1), Warren (3), Duplin (3), Greene (1), Camden (1), Hertford (1), Perquimans (1), Beaufort (5), Bertie (1), Martin (1), Carteret (2)

# PIT/HIC data is an important tool and resource for your communities.

Inclusive count of people experiencing homelessness

- Includes non-HMIS agencies

- Includes unsheltered homeless populations

Can use local and regional data to:

- Understand size/scope of homeless populations

- Assess system gaps (do your programs match your population's needs?)

- Track increases/decreases

- Locate and engage unsheltered homeless populations

- Raise community and political awareness of homelessness

Regional Committees need to keep these objectives in mind as they plan for the 2020 count.

- Elect a regional PIT/HIC Lead with the time and skills to facilitate and implement a strong process across the region.
- Identify needed tasks, identify people to complete them, and plan timeline.
- Communicate clearly to all stakeholders across the region.
- Ensure the PIT/HIC takes place in every county.
- Provide training and technical assistance to volunteers for a complete and accurate count.

**Please elect your 2020 PIT/HIC Lead by October 15<sup>th</sup>!**
