### ANNUAL HMIS OPERATING POLICIES AND PROCEDURES UPDATES

	Presente	er: Brian Alexand	ler			
	Goal:	🛛 Share Info	🛛 Obtain Input	□ Make Decisions	Formal App	roval Needed?
					🗆 Yes	🖾 No
	Brian pro	ovided a review	of the draft July 202	1 HMIS Operating Poli	cies and Proce	dures and highlighted
	the follo	wing updates:				
	<ul> <li>Under</li> </ul>	er Section II, hea	ding B.1., the NC Bo	S CoC suggests clarifyir	ng that funded	l agencies must use
	NCCE	H'S HMIS imple	mentation.			
	• Unde	er Section II, hea	ding D.3., added lan	guage that matches co	ntractors and	funders for consistency.
THREE	• Unde	er Section III, hea	iding A.1., an update	ed link to the Agency A	dministrator F	Roles and
¥	Resp	onsibilities form	has been added.			
È						urrent support offered
-	-			g between required re	-	
				es to the Data Quality I		
		-	-	mentation timeline has	been develo	ped. This may need an
		•	g the contract year.			
					h current HUE	) Data Standards so that
			e updated when the			
				ted language aligns wit		
				ted language aligns wit		
		••		tructure "Tree" was up	dated to aligr	with the data structure
	after	the restructurin	g script.			

<ul> <li>Lloyd suggested adding language under Section VI, heading C.6. that identifies where project guidelines: come from. Hanaleah suggested keeping the current language but changing the word "guidelines" to "standards" and adding the clause, "as long as project standards do not conflict with CoC standards." TI Advisory Board accepted these changes.</li> <li>The following updates need to be made to the July 2021 HMIS Operating Policies and Procedures: <ul> <li>Update language under Section II, heading 3.A.</li> <li>Update language under Section VI, heading C.5.</li> </ul> </li> <li>The revisions will be made and sent for review and vote by email by the end of July 2021.</li> <li>On July 29, 2021, the updated draft of the July 2021 Annual HMIS Operating Policies and Procedures watemailed to the Advisory Board by Brian Alexander for review. Lloyd Schmeidler made the following suggestion: <ul> <li>Under Section II, heading D.3., Lloyd suggested alternative language under Section II, heading D.3., that clarifies the Purpose and Extent of Funder access to HMIS.</li> </ul> </li> <li>Taking Lloyd's suggestions into consideration, Andrea suggested new language under Section II, heading D.3. that clarifies the Purpose and Extent of Funder access to HMIS.</li> <li>On August 3, 2021, Brian Alexander emailed the Advisory Board to move forward with a vote by email of approving the updated draft July 2021 Annual HMIS Operating Policies and Procedures. Lloyd made the motion for approval, and Ashley seconded the motion. The motion was approved unanimously through virtual approval.</li> </ul>		
<ul> <li>Update language under Section II, heading 3.A.</li> <li>Update language under Section VI, heading C.5.</li> </ul> The revisions will be made and sent for review and vote by email by the end of July 2021. On July 29, 2021, the updated draft of the July 2021 Annual HMIS Operating Policies and Procedures was emailed to the Advisory Board by Brian Alexander for review. Lloyd Schmeidler made the following suggestion: <ul> <li>Under Section II, heading D.3., Lloyd suggested alternative language for the section on Funder access to the HMIS.</li> </ul> Taking Lloyd's suggestions into consideration, Andrea suggested new language under Section II, headin D.3. that clarifies the Purpose and Extent of Funder access to HMIS. On August 3, 2021, Brian Alexander emailed the Advisory Board to move forward with a vote by email of approving the updated draft July 2021 Annual HMIS Operating Policies and Procedures. ext year further discussion about these costs will be necessary. oyd also asked if the Advisory Board should consider having an orientation for new board member nd implementing a formal process for onboarding new members. Rachel and Brian expressed upport for implementing an orientation, and Lloyd suggested inviting new and continuing Board
nd implementing a formal process for onboarding new members. Rachel and Brian expressed upport for implementing an orientation, and Lloyd suggested inviting new and continuing Board
nd implementing a formal process for onboarding new members. Rachel and Brian expressed upport for implementing an orientation, and Lloyd suggested inviting new and continuing Board
pport for implementing an orientation, and Lloyd suggested inviting new and continuing Board
embers to make suggestions of what the onboarding process could include. Mike reported that he
nd Donna want to set up a one-on-one meeting with an existing board member and asked if a
Immary of what the Board has done in the past year could be provided. Kristen agreed that
artnering with an existing board member would be helpful to gain basic knowledge of the Advisory pard. Valaria expressed appreciation for her appointment to the Board and for Lloyd's orientation t

the Board.

Donna highlighted that meeting in-person prior to the pandemic was helpful in having more discussion and relationship-building. She suggested conducting every other meeting in-person or having an in-person option. Rachel expressed support but also voiced concern about COVID restrictions. Brian suggested that the Executive Committee can follow-up on creating a formal onboarding process and considering in-person meetings.

There being no other business, the meeting was adjourned.

The meeting adjourned at 2:23 PM

Respectfully submitted, Lloyd Schmeidler, Secretary, with staff support from Adriana Diaz

Next Executive Committee Meeting: Monday, August 30, 2021 from 2-3 PM Next Full HMIS Advisory Board Meeting: Monday, September 27, 2021 from 1-3 PM
