Work History

Why It's Important

- Show how impairment has impacted ability to work throughout work history
- Show how an emerging impairment or incident impacted ability to work after a formerly steady work history
- Show a pattern where applicant can hold job for a period of time but is unable to sustain due to functioning

SSA-3369 Work History Report

Completing the Form

- Required for all claims
- Should be submitted to FO with SOAR packet
- Do your best in completing
 - Often challenging with our clients
- FO rep can assist, as well as DDS examiner
 - Access to queries we do not

3369 Tips

- Be sure exertional activities (walking, standing, etc) add up to an 8 hour day
 - Some activities can overlap (e.g. standing and reaching) but not sitting and standing

In **this job**, how many total hours each day did you:

Walk?

Stand?

Sit?

Climb?

Stoop? (*Bend down and forward at waist*)

Kneel? (*Bend legs to rest on knees*)

Crouch? (*Bend legs & back down & forward*)

Crawl? (*Move on hands & knees*)

Handle, grab, or grasp big objects?

Reach?

Write, type, or handle small objects?

3369 Tips

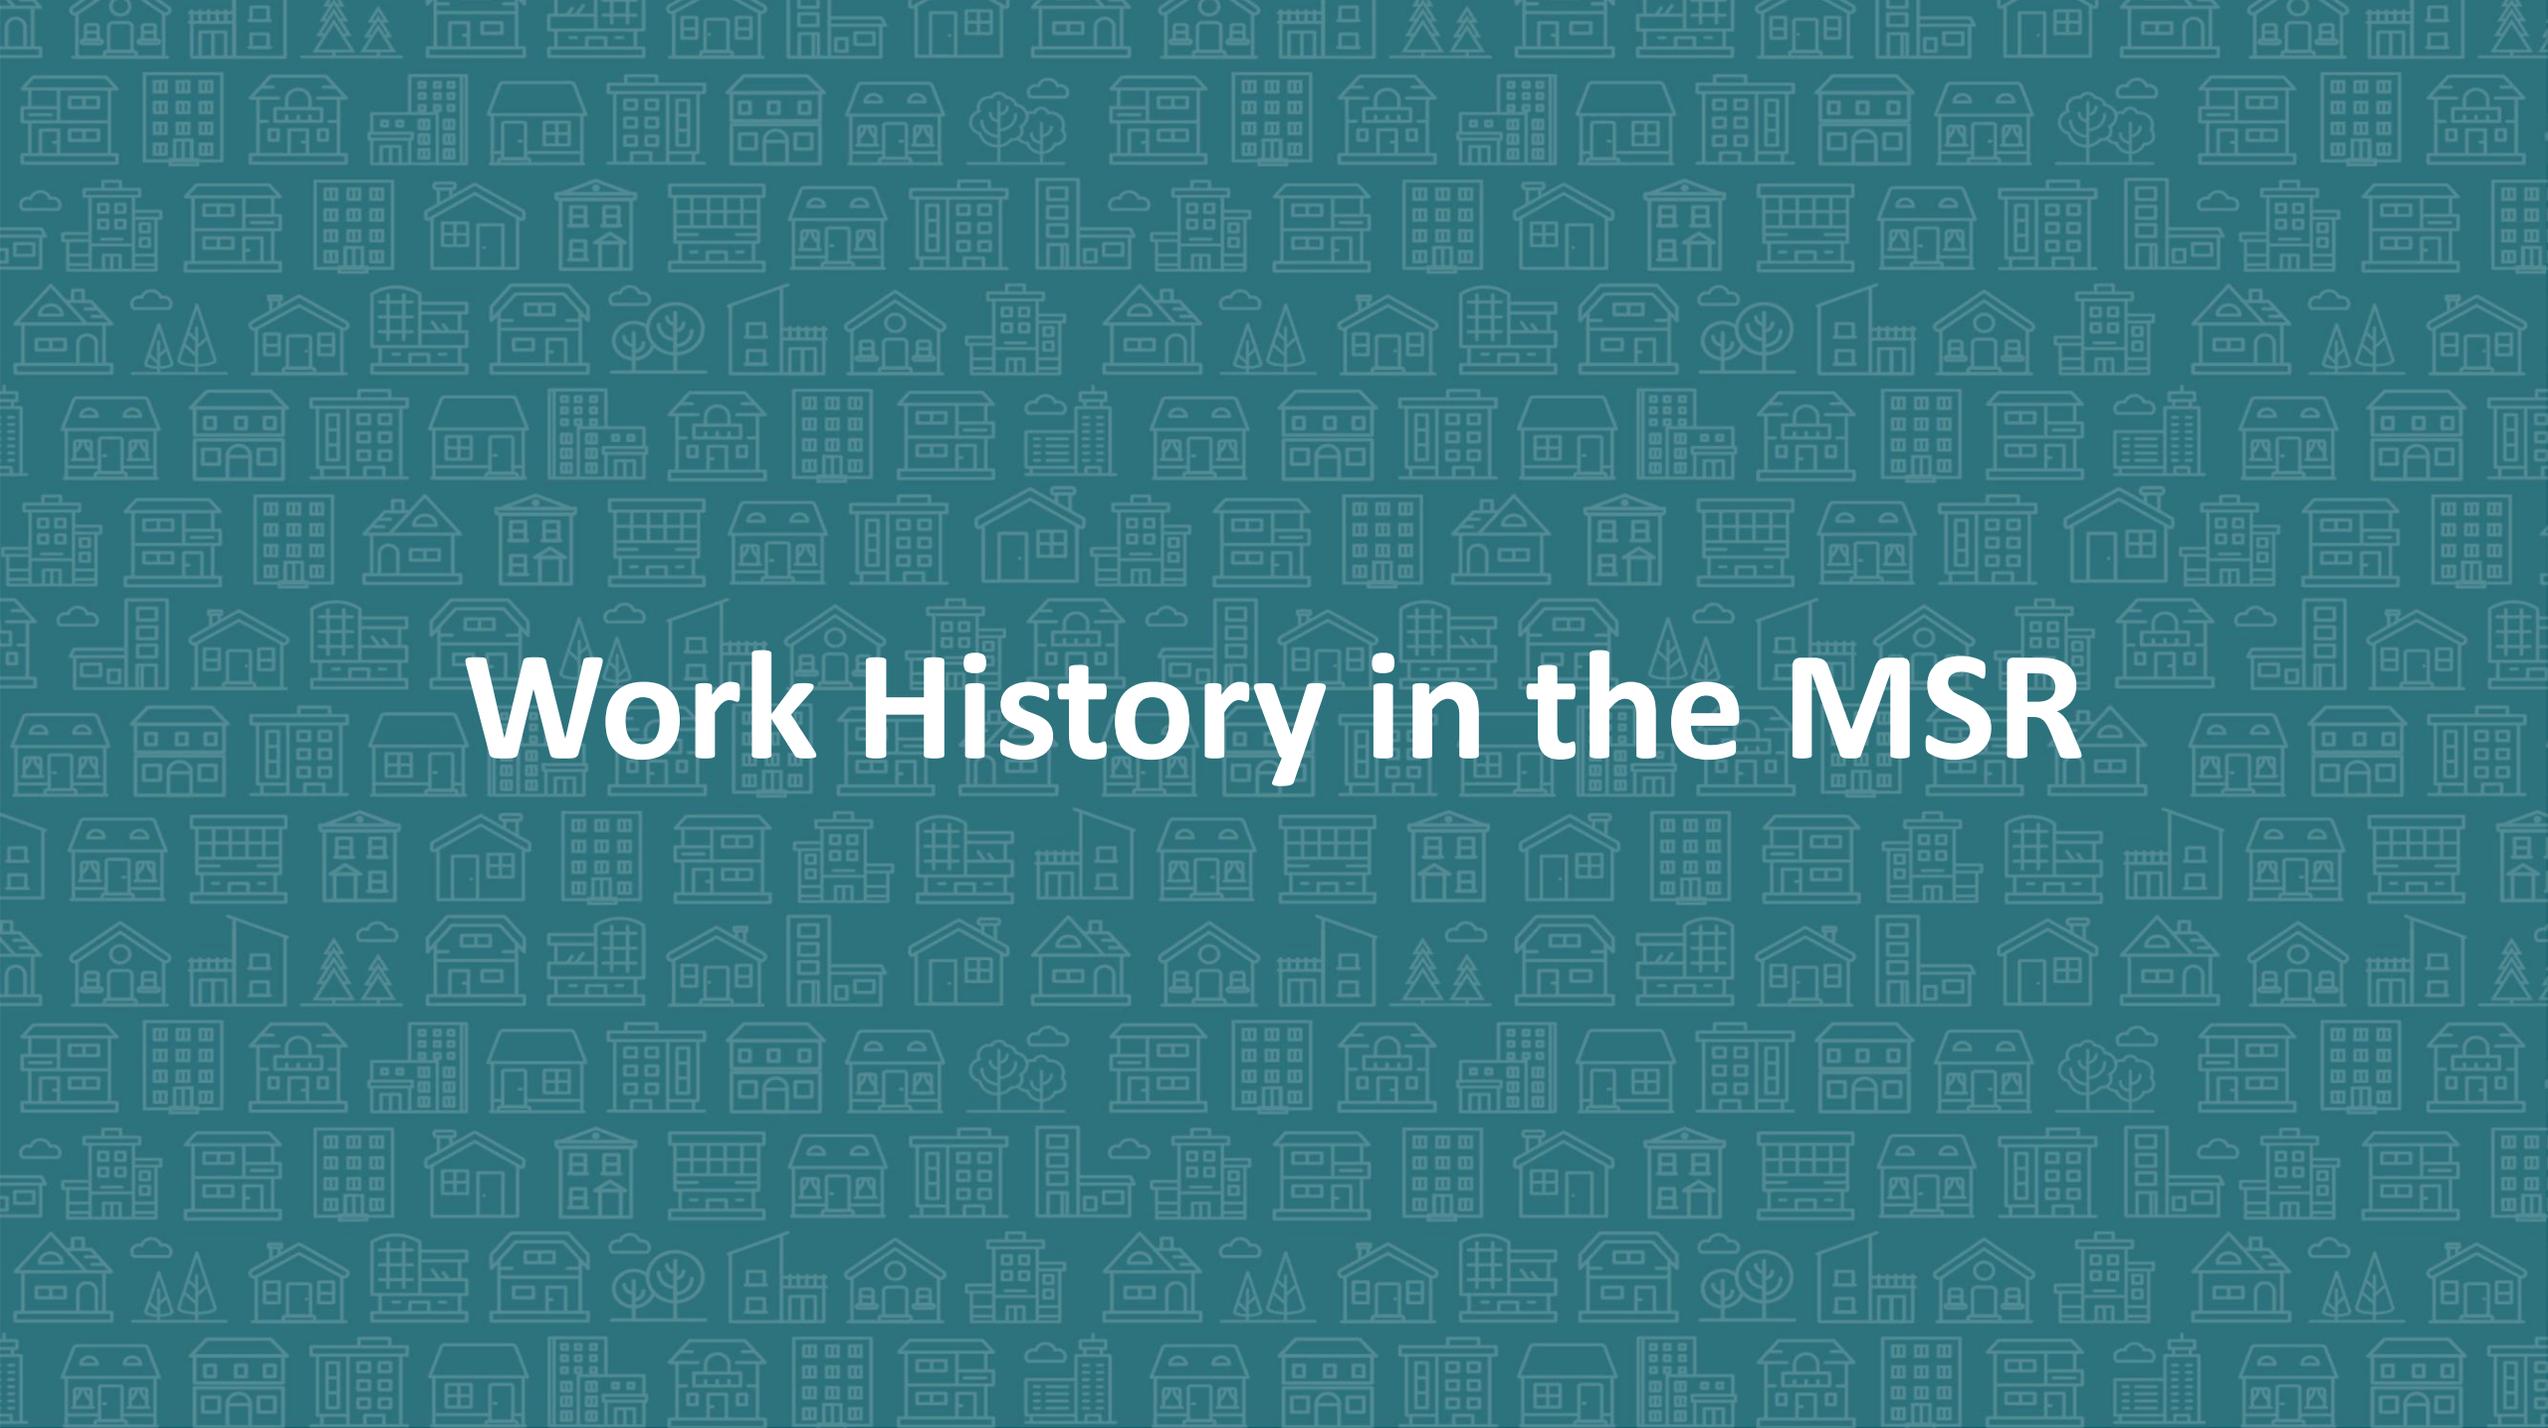

- Use remarks section
 - State all issues applicant has in providing work history so DDS knows it is a best guess
 - Detail additional information about jobs such as supports or modifications received

SECTION 3 - REMARKS

Use this section to add any information you did not have space for in other parts of the form. Show the page number of the part you are continuing.

BE SURE TO COMPLETE THE BOTTOM OF THIS PAGE.

Work History in the MSR

Information for Each Position
