What were challenges and how could we improve this process?

Let's brainstorm!

- Did shelters and permanent housing partners know the plan?
- Did you have a data entry plan that worked?
 - How to balance data entry burden and benefits
 - Difficult to reconnect – clear follow-up from local partners
 - Prep data entry with earlier engagement
- What worked well?
 - DONATIONS (especially gift cards)

NC BoS CoC CE 2023 Goals

NC BoS CoC CE 2023 Goals

- 95% of households have a corresponding Coordinated Entry Assessment data element completed in HMIS for each assessment (e.g. crisis needs assessment, prevention and diversion assessment, VI-SPDAT) completed with the household.
- Increase the number of Coordinated Entry Event data elements recorded in HMIS.

Core Team

Core Team

- NC BoS was selected in 2021 to take part in HUD's Coordinated Entry Equity Initiative
- The initiative's goal is to support communities in improving housing outcomes and the human experience for Black, Brown, Indigenous and all people of color.

Core Team

- From October 2021 - October 2022 NC BoS met bi-weekly with HUD Coaches
 - Developed an inclusive Core Team with a diverse range of local stakeholders to ensure the process is rooted in equity-based decision making.
 - Developed an overall results statement: All Black/African Americans experiencing homelessness in North Carolina Balance of State are swiftly assessed and connected to safe, stable, and suitable permanent housing and housing resources.
 - Developed a targeted goal statement: By December 2023, North Carolina Balance of State aims to proportionally increase the high scores of Black/African Americans assessed through a revised assessment to 43%.

Core Team

- HUD CE Equity Initiative ended October 2022, but the work DID NOT
- NC BoS has been working towards the end goal of creating an equitable assessment tool (to replace our current coordinated entry assessment tool VI-SPDAT)
- After 15 months of work and dedication, our Core Team has a draft assessment!
 - We did not want to re-create or update our current assessment tool
 - We did not want to re-traumatize people who were being assessed
 - We wanted to only ask questions that held value for HUD-funded permanent housing

Core Team

Timeline
