

Before Starting the CoC Project Listings

Collaborative Applicants must rank or reject all Project Applications submitted through e-snaps prior to submitting the CoC Project Listings. Detailed instructions can be found in the left-hand menu bar.

Additional training resources are available online on the CoC Training page of the HUD HRE.

Things to Remember

- All new and renewal projects must be ranked or rejected by the Collaborative Applicant. Ranking numbers can only be used once among the four project listings.
- Collaborative Applicants are strongly encouraged to list all project applications on a spreadsheet in rank order to ensure a ranking number is used only once. The rank order spreadsheet will assist the Collaborative Applicant during the ranking process among the four Project Listings.
- Any project applications rejected by the Collaborative Applicant must have a reason listed. Additionally, Collaborative Applicants are required to notify any project applicants that are rejected of the reason for rejection no later than 15 days prior to the submission of the CoC Consolidated Application to HUD.
- If the Collaborative Applicant needs to amend a project for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant must rank the amended project once it is returned to the Project Listing.
- Only 1 CoC Planning project can be ranked on the CoC Planning Project Listing.

Beginning with this FY2012 application process, the Collaborative Applicant MUST submit both this Project Listing AND the CoC Consolidated Application by the HUD submission deadline. Collaborative Applicants must ensure both parts of this application have been submitted.
