DEFINITIONS OF TERMS

Unsheltered

An unsheltered homeless person is someone who, on the night of the Point-in-Time Count, was residing in a place not meant for human habitation. These places include cars, parks, abandoned buildings, bus/train stations, encampments, or the streets.

Households

- Households with Adults and Children include households in which at least one adult and one child are present on the night of the count.
- Households without Children include single adults and adult couples without children. It also includes adults who have children, but whose children are not present with them on the night of the count.
- Households of Only Children are households in which every person is under the age of 18. This includes unaccompanied children under 18, adolescent parents and their children, adolescent siblings, or other household configurations composed only of children.

Chronically Homeless

- Definition: a homeless individual or a homeless family with an adult head of household who:
 - Has a disabling condition (serious mental illness, substance use disorder, developmental disability, physical disability)
 AND
 - Has been homeless and living in a place not meant for human habitation or an emergency shelter continuously for at least 1 year or on at least 4 separate occasions in the last 3 years
