DEFINITIONS OF TERMS

Imminently Literally Homeless

A person who is at imminent risk of literal homelessness is currently housed and will lose their primary nighttime residence within 14 days **AND** no subsequent residence has been identified, **AND** the person lacks the resources or support networks needed to obtain other permanent housing.

At Risk of Homelessness

A person who is at risk of homelessness has an income below 30% of Area Median Income (AMI) **AND** lacks the resources or support networks needed to prevent them from entering emergency shelter or an unsheltered homeless situation, **AND** meets at least one of the following conditions:

Has moved 2 times in the last 60 days; is doubled up; will lose current housing within 21 days; lives in a hotel/motel (self-paid); lives in a severely overcrowded unit; is exiting a publicly-funded institution or system of care (hospital, mental health facility, foster care, jail/prison); or lives in housing associated with instability and increased risk of homelessness, as identified in the jurisdiction's Consolidated Plan.

Households

1. ***Households with Adults and Children:*** at least one adult and one child are present on the night of the count.
2. ***Households without Children:*** single adults, adult couples without children, adults with adult sons/daughters, and adults whose children are not present with them on the night of the count.
3. ***Households of Only Children:*** every person is aged 17 or younger. This includes unaccompanied children under 18, adolescent parents and their children, adolescent siblings, or other household configurations composed only of children.

Survivors of Domestic Violence

Adults who are currently experiencing homelessness because they are fleeing domestic violence, dating violence, sexual assault, or stalking.
