### Getting Started: Organizing and Completing an Initial SOAR Application

Is this your first SOAR application? If so, don't worry. The biggest and first step has already taken place—you are SOAR trained. Schedule a minimum of one hour a day to work on your SOAR application and keep that commitment. Stick to the timelines outlined below. It is important that you complete the SOAR application in stages so that you aren't overwhelmed by it. While waiting on medical documentation, use your scheduled SOAR time to complete the i3368 PRO and to continue to work on the medical summary report. The timelines allow you to complete each stage of the application process and to focus your energy and brain power on completing the medical summary report during the latter weeks so that you easily meet the 60 days allowed.

#### Documents needed to complete the process

- SOAR Consent to Release Information form (from SOAR Process)
- Worksheet #4 (Substance Use Worksheet) from Module VII of Participant Guide
- Worksheet #6 (Applicant Assessment Worksheet) from Module X of Participant Guide
- Worksheet #7 (Punctional Information Worksheet) from Module XI of Participant Guide
- SSA form 3368 (Adult Disability Report) from Module 4 of the Participant Guide
- SSA form 1696 (Appointment of Representative, revised 5/08) download from SSA website
- SSA 827 forms from Module 4 of Participant Guide; after completing the i3368 PRO
  online application, the computer program will instruct you to print a specific number of
  SSA forms 827 needed.
- SSA form 8000 (Application for SSI)

### TIMELINE FOR COMPLETING AN INITIAL SOAR APPLICATION

#### Day One

- Complete and have applicant sign SOAR Consent to Release Information form. This allows you to
  obtain the SSA status of the applicant.
- Pax SOAR Consent to Release Information form to designated SSA location to the attention of SSA SOAR contact. If the person is eligible to apply, this fax secures a protective filling date for the applicant. The SSA SOAR contact should fax back to you the front page of the SOAR Consent to Release Information within 48 hours.

#### Day Two or Three

- Contact the SSA office if the SSA SOAR contact has not faxed back the details of applicant's involvement with SSA to you within 72 hours.
- When SSA faxes its response to you, it includes past history with SSA and gives you the information you need to proceed with the appropriate SOAR process.
- If the client does not have a pending case or active appeal, proceed with an initial application as follows...
- Have applicant sign SSA-827 Authorization to Disclose Information to the SSA and agency Release of Information forms; have applicant sign releases equal to number of hospitals, clinics and doctor's offices he/she remembers being treated. Mail both a SSA and agency release to each treatment source within the first 24 to 48 hours of initiating SOAR application effort.

<sup>&</sup>lt;sup>1</sup> Developed by US Public Heath Service, Commander Eddie Frazier, Michigan SOAR Team, Yvonne M. Perrel, and Deborah Dennis, National SOAR Technical Assistance Team

- After applicant identifies a primary provider (psychiatrist/medical doctor), contact the provider and let the staff there know you are working with the applicant on applying for SSI/SSDI benefits. Ask for their input and let them know that you'll be requesting the physician/psychiatrist/s signature on a summary of how the applicant's illness and symptoms affect his/her ability to work.
- Complete the first two pages of Worksheet #6, through Personal History. This will allow you to complete the introduction of your applicant's medical summary report.
- Go to the computer; bookmark i3368 PRO online from SSA website.
- While on the computer, also bookmark ISBA (Social Security Disability) online from SSA website.
- While on the computer, download the medical summary report template from the SOAR website (<a href="https://www.prainc.com/soar">www.prainc.com/soar</a>, link to trainings) to create a medical summary template. This is how you should organize your information in the applicant's medical summary report. Start your rough draft of applicant's medical summary. On the first day of this initial application work, you will input information for the introduction and begin the section on Personal History. Completing the Introduction and starting the Personal History will take only 20-30 minutes. Beginning the medical summary report immediately gives you 60 days to complete it instead of the 7-14 days attempted by many case managers
- Getting things organized and setup initially will take about 2.5 hours. Putting your SOAR application in the recommended order will also allow you to work on different aspects of the application as you move forward rather than trying to complete this all at once, feeling pressured by other responsibilities to meet the deadline.

#### Week 1-2

- Complete and have applicant sign SSA form 1696 Appointment of Representative form
- Meet with applicant 1-2 times per week to work on worksheets #4, #6 and #7. Enter information in the appropriate sections on the medical summary report as you collect the information. These worksheets should be completed by the end of week two. This will give you six weeks to work on the medical summary report. Most of the information used in the medical summary is transferred from worksheets #4, 6 and 7. Include in the medical summary report direct quotes from the applicant and your observations of how the applicant's illness/symptoms interfere with his/her ability to work.
- Meet with applicant 1-2 times per week to complete paper 3368 application. Begin transferring information to i3368 PRO online application as soon as possible. Complete the 3368 paper application by the end of week two. The i3368 PRO online application has 7 sections. Schedule enough time to complete each section. When starting the i3368 PRO, complete information and obtain a reentry number for the applicant so you can use that number to re-enter each time you add information to this form. Print the reentry page and place it in the applicant's folder. The reentry number and the applicant's social security number allow you to work on the i3368 PRO when your schedule allows. After working on the i3368 PRO online application, save it, Do not submit it to SSA until you are prepared to turn in the completed SOAR application package.
- Continue to work with applicant's primary provider for additional information and to obtain commitment for a co-signature on the medical summary.
- Continue collection of medical records. As you identify additional sources for medical information, send an agency release and a SSA 827 to those providers to collect additional information. Work with treatment sources to identify ways to collect information quickly, e.g., pick up at their department, fax, etc.

#### Weeks 3-4

- Begin and complete SSA-8000 SSI Application (a clean document with applicant's signature)
- Obtain any needed supportive documentation for SSI Application, e.g., bank statements, any documentation of resources, etc.

Policy Research Associates, Inc.

Revised: May 25, 2009

Continue to work on i3368 PRO if not complete. Use your word processing program to check
spelling for narrative comment sections of i3368 PRO. Be sure to meet the limeline for this section
of the application. Complete transfer of information from paper 3368 to i3368 PRO online
application by end of week four.

Continue to collect and follow up on medical records that are needed.

Work on and make entries in the medical summary report as you receive information.

Have applicant sign additional 827s for treatment sources that have not yet sent in information so

DDS can follow up on these.

Complete ISBA (SSDI online application) after completing i3368 PRO online application. Most of the information needed for the ISBA in contained within the SSI application as well as the i3368 PRO. The ISBA online application takes about 20 - 30 minutes to complete. As with the i3368 PRO, save information entered and do not submit until you are ready to turn in completed SOAR application package. The ISBA online application should be completed by the week four.

Completing i3368 PRO, the ISBA, and requesting medical information early in the application process allows you to have four weeks or more to focus primarily on completing the medical

summary.

#### Weeks 5-8 (as needed)

Continue to work on items not completed during the first four weeks

Continue to work on and revise medical summary. Incorporate medical information that speaks to applicant's functional impairments and severity of symptoms. Use direct quotes from applicant as often as possible. Have a co-worker review medical summary for clarity and grammar.

Contact SSA SOAR Contact and establish date you will turn in completed Initial SOAR Application, giving directly to SOAR contact. Begin attempts at contact with SSA SOAR contact at least 1-2 weeks before 60-day deadline. This will allow for potential time out-of-office or illness for you or SSA SOAR contact. SOAR Application must be complete and delivered to SSA SOAR contact on or before 60-day deadline, if at all possible before the 60-day deadline.

Immediately before the appointment with SSA to turn in the packet, submit the ISBA SSDI on-

tine application and the i3368PRO on-line.

## REMINDER: A Complete Initial SOAR Application Package consists of...

1. SOAR Checklist is used as a cover sheet for complete package

 A medical summary report signed by the SOAR provider and physician or psychologist (allowing this document to be included as medical evidence).

3. Copies of all medical records in chronological order.

A clean and complete SSA-8000 signed and dated by applicant. The SSA 8000
information will be transferred into the online application by SSA after receipt of
completed Initial SOAR Application Packet

5. Submit i3368 PRO and ISBA (SSDI application) ou-line 24-48 hours before turning in

completed package to SSA.

#### INFORMATION FOR REPRESENTATIVES

Fees for Representation
An attorney or other individual who wants to charge
or collect a fee for providing services in connection
with a claim before the Social Security
Administration (SSA) must generally obtain our
prior authorization of the fee for representation. The
only exceptions are if:

- certain requirements are met and a third-party entity, such as a business, an insurance carrier, a for profit, or nonprofit organization or a government agency will pay the fee and any expenses from its own funds and the claimant and auxiliary beneficiaries incur no liability, directly or indirectly, for the cost(s); or
- a Federal court awarded a fee based on the representative's activities as the claimant's legal grandion or court-appointed representative;
- a Federal court awarded a fee for representational services provided before the court. In those cases, neither the Federal court nor SSA can authorize a fee for the other.

#### Obtaining Authorization of a Fee

To charge a fee for services, you must use one of two mutually exclusive fee authorization processes. You must file either a fee petition or a fee agreement with us. In either case, you cannot charge more than the fee amount we authorize.

#### Fee Petition Process

You may file a fee petition after you complete your services to the claimant. This written request must describe in detail the amount of time you spent on each service provided and the amount of the fee you are requesting. In order to directly pay you under a fee petition, you must either file a fee petition or notify us within 60 days after we decide the claim of your intent to file a fee petition.

You must give the claimant a copy of the fee petition and each attachment. The claimant may disagree with the information shown by contacting a Social Security office within 20 days of receiving his or her capy of the fee petition. We will consider the reasonable value of the services provided, and send you notice of the amount of the fee you can charge.

#### Fee Agreement Process

If you and the claimant have a written lee agreement, one of you must give it to us before we decide the claim(s). We usually will approve the agreement it:

- · you both signed it;
- the fee yan agreed on is no more than 25 percent of past-due banefits, or \$6,000 (or a higher amount we set and announce in the Federal Register), whichever is less;
- , we approve the claim(s); and
- · the claim results in past-due benefits.

We will send you a copy of the notice we send the claiment telling him or her the amount of the fee you can charge besed on the agreement.

If we do not approve the fee agreement, we will telt you in writing. We also will telt you and the claimant that you must file a fee petition if you wish to charge and collect a fee.

After we tell you the amount of the fee you can charge, you or the claimant may ask us in writing to review the authorized fee. If we approved a fee agreement, the person who decided the claim(s) also may ask us to lower the amount. Someone who did not decide the amount of the fee the first time will review and finally decide the amount of the fee

#### Collecting a Pec

You may accept money for your fee in advance, as long as you hold it in a trust or escrew account. The claimant never owes you more than the fee we authorize, except for:

- any fee a Federal court allows for your services before it;
- out-of-pocket expenses you incor or expect to incur, for example, the cost of getting evidence. Our authorization is not needed for such expenses.

If you are not an attorney and you are incligible to receive direct payment, you must collect the authorized fee from the claimant. If you are interested in becoming eligible to receive direct payment, you can find more information about this on our "Attorneys and Appointed Representatives" website:

http://www.ssa.cov/coresentation/.

If you are an attorney or a non-attorney whom SSA has found eligible to receive direct payment and you register with SSA, as described below, we usually withhold 25 percent of any past-due benefits that result from a favorably decided retirement, survivors, disability insurance, or supplemental security income claim. Once we authorize a fee, we pay you all or part of the fee from the funds withheld. We will also charge you the assessment required by section 206(d) and 1631(d)(2)(C) of the Social Security Act. You cannot charge or collect this expense from the claimant. You will need to collect from the claimant:

- the rest of the fee he or sho owes, if the amount of the authorized fee is more than the amount of money we withheld and paid you for the claimant, plus any amount you held for the claimant in a trust or escrow account.

### Sample Medical Records Request Letter

Re: DOB: SSN:

Dear

Our program serves homeless adults and helps them obtain income, services, and other resources. Part of this effort is to help individuals apply for Supplemental Security Income (SSI) and/or Social Security Disability Insurance (SSDI), two disability income programs operated by the Social Security Administration (SSA). In addition to providing needed income support for beneficiaries, both programs provide medical insurance (Medicaid or Medicare), which could reimburse your facility for future care you provide this individual as well as possibly cover some retroactive bills.

To be eligible for disability beoefits, individuals must make sure that their medical records are provided to the State agency that Social Security contracts with to make disability determinations, called Disability Determination Services (DDS). Without this medical information, eligibility for desperately needed benefits is unlikely.

You have provided medical services to the above referenced person. I have enclosed two releases of information (one for SSA and one for our provider agency) signed by the above individual. If you would please send me your medical information as soon as possible, I will ensure that this information is sent on to the DDS for review.

For you to have a sense of what is needed from your records, I also have enclosed with this letter a list of medical information that can be extraordinarily helpful. Your cooperation is critical for the success of this application and for the recovery of this person.

If you have any questions, please do not hesitate to contact me at advance for your swift response to this request.

. I thank you in

Sincerely,

#### Explanation of Form SSA-827.

#### "Authorization to Disclose Information to the Social Security Administration (SSA)"

We need your written authorization to help get the information required to process your claim, and to determine your capability of managing benefits. Laws and regulations require that sources of personal information have a signed authorization before releasing it to us. Also, laws require specific authorization for the release of information about certain conditions and from educational sources.

You can provide this authorization by signing a form SSA-827. Pederal law permits sources with information about you to reacted that information if you sign a single authorization to release all your information from all your possible sources. We will make copies of it for each source. A covered entity (that is, a source of medical information about you) may not condition treatment, payment, enrollment, or eligibility for benefits on whether you sign this authorization form. A few States, and some individual sources of information, require that the authorization specifically name the source that you authorize to release personal information. In those cases, we may ask you to sign one authorization for each source and we may contact you again if we need you to sign more authorizations.

You have the right to revoke this authorization at any time, except to the extent a source of information has already relied on it to take an action. To revoke, send a written statement to any Social Security Office. If you do, also send a copy directly to any of your sources that you no longer wish to disclose information about you; SSA can tell you if we identified any sources you didn't tell us about. SSA may use information disclosed prior to revocation to decide your claim.

It is SSA's policy to provide service to people with limited English proficiency in their native language or preferred mode of communication consistent with Executive Order 13166 (August 11, 2000) and the Individuals with Disabilities Education Act. SSA makes every reasonable effort to ensure that the information in the SSA-827 is provided to you in your native or preferred languago.

#### IMPORTANT INFORMATION, INCLUDING NOTICE REQUIRED BY THE PRIVACY ACT

All personal information collected by SSA is protected by the Privacy Act of 1974. Once medical information is disclosed to SSA, it is no longer protected by the health information privacy provisions of 45 CFR part 164 (mandated by the Health Insurance Portability and Accountability Act (HIPAA)). SSA retains personal information in strict adherence to the retention schedules established and maintained in conjunction with the National Archives and Records Administration. At the end of a record's useful life cycle, it is destroyed in accordance with the privacy provisions, as specified in 36 CFR part 1228.

SSA is authorized to collect the information on from SSA-827 by sections 205(a), 223(d)(5)(A), 1614(a)(3)(H)(i), 1631(d)(1) and 1631 (e)(1)(A) of the Social Security Act. We use the information obtained with this form to determine your eligibility, or continuing eligibility, for benefits, and your ability to manage any benefits received. This use usually includes review of the information by the State agency processing your case and quality control people in SSA. In some cases, your information may also be reviewed by SSA personnel that process your appeal of a decision, or by investigators to resolve altegations of fraud or abuse, and may be used in any related administrative, civil, or criminal proceedings.

Signing this form is voluntary, but failing to sign it, or revoking it before we receive necessary information, could prevent an accurate or timely decision on your claim, and could result in denial or loss of benefits. Although the information we obtain with this form is almost never used for any purpose other than those stated above, the information may be disclosed by SSA without your consent if authorized by Federal laws such as the Privacy Act and the Social Security Act. For example, SSA may disclose information:

- To enable a third party (e.g., consulting physicians) or other government agency to assist SSA to establish rights to
  Social Security benefits and/or coverage;
   Pursuant to law authorizing the release of information from Social Security records (e.g., to the Inspector General, to
  Federal or State benefit agencies or auditors, or to the Department of Veteraus Affairs(VA));
   For statistical research and audit activities necessary to ensure the integrity and improvement of the Social Security
  programs (e.g., to the Bureau of the Census and private concerns under contract with SSA).

SSA will not redisclose without proper prior written consent information: (1) relating to alcohol and/or drug abuse as covered in 42 CFR part 2, or (2) from educational records for a minor obtained under 34 CFR part 99 (Family Educational Rights and Privacy Act (FERPA)), or (3) regarding mental health, developmental disability, AIDS or HIV.

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

Explanations about possible reasons why information you provide us may be used or given out are available upon request from any Social Security Office.

#### PAPERWORK REDUCTION ACT

This information collection meets the requirements of 44 U.S.C. § 3507, as amended by Section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 10 minutes to read the instructions, gather the facts, and answer the questions. SEND OR BRING IN THE COMPLETED FORM TO YOUR LOCAL SOCIAL SECURITY OFFICE. The office is listed under U. S. Government agencies in your telephone directory or you may call Social Security at 1-800-772-1213. You may send comments on our time estimate above to: SSA, 6401 Security Bivd., Baltimore, MD 21235-6401. Send only comments relating to our time estimate to this address, not the completed form,

# Medical Summary Report Interview Guide and Template

For applications filed on or after January 17, 2017

The *Medical Summary Report (MSR) interview Guide* provides sample questions and guidance for gathering information necessary to the SSI/SSDI disability determination process. We do not expect you to ask all of the questions in each section. The questions are intended to help you gather all of the information you will need to write a Medical Summary Report. For example, if the individual has not been in military service, there is no need to include a military history section. Likewise, if the individual has no legal issues, do not include a legal history section.

Using this guidance, SOAR-trained providers are able to gather a thorough history in a respectful manner, which in turn helps the Disability Determination Services (DDS) understand the duration of a person's impairment and the effect of their illness(es) on work ability and functioning. The MSR Template may be used to compile information in the form of a narrative letter to SSA/DDS as part of the SOAR process. The template has eight main sections, covering the types of information that DDS needs to make a decision. Use the headings provided in the template to organize your MSR.

#### Trauma-Informed Interviewing

How questions are asked can be critical to obtaining the appropriate information. It is important to be sensitive to influences that affect a person's ability and willingness to provide information (cultural factors, past experiences with the mental health system, etc.). The interviewing process can also uncover sensitive topics like past and current trauma that need to be approached with care. When asking about trauma, it is critical to not overwhelm the applicant. It is equally important that the person be safe and secure after leaving the interview. Gathering such personal information requires a sensitive and skilled interviewer.

**SOAR Tip:** Interviewers who feel uncomfortable or ill-equipped to explore certain topics should not do so. Instead, they should seek assistance from someone who is more clinically skilled and more able to assess responses, to ensure that the person is safe from self-harm and/or emotional distress when the interview ends.

# Medical Summary Report (MSR) Interview Guide

#### Section I: Introduction

This section should provide a description that creates a mental picture to help a DDS examiner "see" the individual, since it is unlikely that the DDS examiner will ever meet the applicant.

# A. Physical Description

- Height and weight
- Clothing, hygiene, grooming, glasses, assistive devices

# B. Observations that illustrate the applicant's symptoms or functioning

- Speech problems or pace; ability to maintain eye contact
- Movements: Unusual movements of mouth/face; tremors in hands/legs; pace (fast/slow)
- Demeanor: Agitation? Attitude? Alert? Focused or needing re-direction in conversation?

The introduction to the MSR will also include all of the applicant's physical and mental health diagnoses, as well as an overview of the case manager and agency's involvement with the applicant.

# Section II. Personal History

#### A. Current and Past Living Situations; Homelessness History

It is important to know where the person is living for a number of reasons, including documenting homelessness or risk of homelessness. This information might also be linked to functioning, since the ability to function effectively often is affected by housing status.

#### Sample questions:

- Where do you live or stay? With whom?
- Where did you live prior to where you are now?
- Have you ever lived independently? What was that like for you? Why did you leave that situation?
- Were there times you were homeless, after leaving one place and before finding another?
  For each living situation:
  - How did it go living there?
  - Were there supports in place to help maintain the housing?
  - What made you decide to move?

#### B. Family Background

This section should illustrate what it was like growing up including a history of interpersonal relationships with family members and/or caregivers. Information gathered should focus on how the person's family background relates to his or her symptoms and functioning. Note: Avoid listing personal names of family members (children, ex-husband, parents, etc.) who have not given permission for providing collateral information.

#### Sample topics/questions:

- Place of birth; family structure/relationships; others in the home
- Tell me what it was like when you were growing up.
- When you were growing up and did something your (fill in person who raised the individual) didn't like, what would s/he do?
- How old were you when you left home? Why did you leave?
- Do you have contact with your family?

#### C. Marital/Intimate Relationships

This section further speaks to how the person maintains or ends relationships with people, and can highlight impairments in social functioning (i.e. Interact with others).

# Sample questions:

- Are you currently married or in a relationship?
- How long were you with ? What happened when the relationships ended?
- Were the relationships generally positive or mostly difficult? What made them so?
- Did the relationships include any violence/hitting/yelling/ emotional problems? Are you currently in a relationship that makes you feel unsafe?
- Have you had struggles in relationships? If so, please describe.

#### Questions about children might include:

- Do you have any children? How many? Ages?
- What is your relationship with them now?
- Are you able to have contact with your children?
- If not, would you like to have contact with your children?

Make these inquiries gently. Do not assume that the person wants to have contact with their children.

# D. Trauma/Victimization

There are very high rates of trauma and victimization (past and present) in both women and men who are experiencing homelessness and this trauma can affect a person's current functioning.

#### Sample questions:

- Was there ever a time in the past or recently when something really bad or very upsetting happened to you? You don't need to give me any details. Does it still bother you?
- Do you feel safe or are you generally afraid? Of anyone or anything in particular?
- When you were younger did someone older than you ever touch you in a way that felt inappropriate or private?

#### E. Education

Educational history can provide clues to a person's past and present functioning. It is helpful to understand how a person learns and processes information and whether the person received services in the school setting for intellectual or behavioral issues. A lack of cognitive and behavioral development will influence a person's ability to learn new work skills.

# Sample questions:

- What was the last grade or level that you completed?
- Did you repeat any grades? If so, which one(s) and why?
- What made you decide to leave school? What was going on then?
- How did you get along with the other students? With the teachers? Was there a favorite? Were there kids you liked a lot and spent time with? Were there kids you avoided? Why?
- Were there any subjects which you needed a little extra work or some help?

# F. Legal History<sup>1</sup>

Contact with the criminal justice system can reveal information about how mental health symptoms may impair day-to-day functioning. If there have been arrests, find out what happened and the result for each incident, including any information linked to the applicant's symptoms. Be sure to request medical records from the jail or prison, as they can be helpful for illustrating periods of sobriety when mental health symptoms are still present.

#### Sample guestions:

- Have you ever been arrested? Can you tell me what happened?
- Do you have any charges pending/waiting? What are they? Any court dates scheduled?
- Do you know of any outstanding warrants against you?
- Are you on parole or probation now? Are you having any difficulties meeting the conditions?

# Section III: Occupational History

#### A. Employment History

DDS is interested in work over the past 15 years, and details of each job experience. If the person does not have a lengthy work history, learn as much as possible about any employment they had. NOTE: SSA can provide a report of the person's earnings if requested. Contacting former employers, with the applicant's permission, may also provide useful evidence.

Sample questions for each job (including any supported employment):

- When did you work there? What did you do?
- How long did you work there?
- What did you like about working there? Dislike?
- What were your relationships like with your co-workers?
- Did you have any problems at the job with completing tasks or working with others?
- What made you leave the position?

#### **B.** Military Service History

Military service can provide clues to how the individual responded to a structured environment, including orders and instructions, stress, and interpersonal relationships with peers and authority

<sup>&</sup>lt;sup>1</sup>Having a past history of offenses, incarceration or probation will not interfere with eligibility. If the applicant has an outstanding felony warrant for flight or escape, this may interfere with eligibility for benefits; however, other warrants, including those for parole and probation violation do not affect eligibility.

figures. It can also be a source of medical records, periods of sobriety, and information about PTSD or TBI symptoms.

#### Sample questions:

- Were you ever in the military? What branch of service were you in and what made you decide to join?
- What did you do? Did you get any special training while in the military?
- What type of discharge did you receive? If less than honorable, ask why.
- While in the service, were you treated for any illnesses or were you in any hospitals?
- Were you exposed to biasts, Improvised Explosive Devices (IEDs), or did you ever lose consciousness?
- Did you experience anything in the military that you still think about or that bothers you?

#### Section IV: Substance Use

The purpose of asking these questions is to help you (and DDS) determine if the substance use is "material" to disability. To do so, you must understand the meaning of the person's substance use and its relevance to other diagnoses. You will need to be able to show that the person's illness and resulting functional impairment would still be present even in the absence of substance use. The person does not have to be sober at the time of the application to make this determination.

#### Sample questions:

- Do you drink alcohol? About how much? What other drugs do you use and about how much and how often? (Obtain clarification if the person says something like "a lot" or "not much")
- Why do you use (alcohol or other drugs)? How does using help?
- Do you recall how old you were when you first started drinking (or using other drugs)?
  - What was going on in your life then? How was your life going? What do you think made you decide to drink and/or use other drugs?
- When you drank or used drugs, how did you feel? What was the effect of your use on your life?
  - What happened since that time? How would you describe your life since you've been using? What do you think affected how much you drank alcohol or used other drugs?
- What is your substance of choice naw? If you could use any alcohol or other drug that you wanted, what would it be? Why do you prefer this drug? How does it make you feel? What does it do?
- Have you ever tried to limit your substance use? If yes, what happened?
- Have you ever experienced blackouts (when you didn't remember what happened), shaking, or seizures when you were using alcohol or other drugs? How often? Were you treated for anything when this happened?
- Have you ever been in treatment for your substance use? If yes, what kind of treatment? What was that like for you? Was It helpful? In what way?
- Do you feel your substance use is a problem? Can you tell me why?
- If you tried to stop drinking or using drugs now, what do you think would happen? How do you think you would do? How would you feel?

# Section V: Physical Health

It is important to find out about any illnesses or injuries that could result in ongoing impairment. Applicants may be found eligible based on a combination of illnesses, so it is important to be comprehensive.

#### Sample questions:

- Are you currently being treated for any physical health problems? What are they?
- Have you ever been hospitalized for any physical health problems? Where? When? For how long? What happened?
- Have you ever fallen, been hit, been in a fight, or been in an accident where you were knocked out? What happened? Did you go to a doctor or hospital?
- Do you have any dizziness, headaches, difficulty paying attention, confusion? Have you had treatment for any of these?
- Have you ever had any surgery? What was the result?
- Have you noticed anything about your health that concerns you?
- Do you have any problems with walking/standing/sitting? How long/how far can you walk continuously in one stretch without stopping to rest?
  - o How long can you stand continuously in one stretch of time?
  - o What happens if you try to sit too long?

# Section VI: Psychiatric History and Treatment

Inquiries about past or current psychiatric symptoms and treatment must be done with sensitivity. Avoid using Jargon. Elicit as much detail as possible about what happened and what the person experienced. Determine (as best as possible) the chronological occurrence of symptoms and treatment.

#### A. Symptoms

DDS uses information about how the person experiences symptoms of their mental illness as part of the medical criteria for disability. Obtaining information about symptoms in the applicant's own words can be powerful information for DDS.

#### Sample questions:

- Describe how you feel day-to-day. Are some days better or worse than others?
- When you experience [depression, anxiety, a panic attack, etc.], tell me how that feels.
- When did you first notice these difficulties?
- When you started experiencing these problems/difficulties, what did you do?
- What have you tried on your own to feel better?
- What things make you feel worse?
- Did anyone help you with managing these difficult experiences?
- As time went on, what happened? Did these experiences get worse? Better?

#### Orientation

Ask the person the place, year, month, date, and day of the week.

#### **Psychomotor Activity**

 Does the individual have difficulty sitting still? Does he or she seem agitated? Is the person noticeably slow in activity? Describe.

#### Mood/Anxiety

- How do you sleep at night? If you don't sleep well, what happens?
- Have you noticed a change (increase or decrease) in appetite? If the individual doesn't eat, is it because of access to food or appetite changes?
- Rate the individual's mood: On a scale from 1 to 10 where 1 is very sad and 10 is very happy, what would you say you feel most of the time?
- Does your mood change a lot? Do friends or family members tell you that your moods seem to change quickly and unpredictably?
- Do you have thoughts of hurting yourself or hurting others?
- Do you ever notice yourself feeling very nervous with shaking hands, racing heart, sweaty palms, and a general unsettled feeling? When does this happen?
- Give me some examples of things or activities that you find stressful or that bring on a panic attack.
- Do you ever feel anxious for no apparent reason?

#### Obsessions/Compulsions

- Do you notice that there are certain things you must do the exact same way each time you do them? For example, organizing your belongings or washing your hands?
- Do you worry about the same thing(s) over and over?
- Do you have things you are afraid of? Do you think about those things happening a lot?

#### Manic/Bipolar Symptoms

- Do you ever feel that your thoughts are moving too quickly? Too slowly?
- Do you ever find it difficult to think clearly or to organize your thoughts?
- Have you ever experienced a spending spree that you can't afford?
- Do you ever stay up for long periods of time with no sleep and feel very energetic and productive?
- Have you ever felt very powerful or in a high-level position even though other people might not have seen you that way?

#### Psychotic Symptoms/Paranola

- Sometimes people notice that they hear voices or noises that other people say they don't hear.
  Does this happen to you? What do you notice?
- Sometimes people also see things that other people say they don't see. Does this ever happen to you? What do you see?
- Do you sometimes feel that you aren't yourself? Or that you are another person?
- Do you ever feel that people are talking about your behind your back?
- Do you ever feel that someone is watching you?

#### Other Symptoms/Information

Do you feel, in general, that other people want to hurt you or that they want to help you? Why?

oc.

- Do you sometimes find that you get very angry over nothing?
- When someone makes you very angry, what do you do? How do you handle that?

#### **B.** Psychiatric Treatment History

Explore all treatment sources and gather as much specific information as possible. If someone does not remember where they have been treated, you may need to offer a list of commonly used facilities to jog their memory. You can also ask about what town that they were in, the street it was on, the color of the building, etc. Use other sources: friends, family, other service providers, the internet, etc. Gather information about:

- Emergency room visits
- Past psychiatric hospitalizations
- Outpatient services: current counselor, therapist or psychiatrist
- \* Supportive services: case management
- Medications: past and present, side effects
- Treatment during incarceration

#### Sample questions:

- What kinds of treatment or services have you received for managing these difficulties?
- What has been most helpful? Least helpful?
- Were you ever hospitalized for your nerves or difficult feelings? What happened?
- Did you ever experience these problems in jail? What help did you receive?

When writing the MSR, this section will contain brief summaries of the applicant's diagnosis and treatment at each source. Information gathered in the interview will help locate all available medical sources.

#### Section VII: Functional Information

Descriptions of how a person functions in each of DDS's four main areas of functioning for mental impairments can help make the link between the person's diagnosis and his/her ability to work. To be eligible for SSI/SSDI, the applicant must show "marked impairment" in at least two of the four functional areas listed below, or extreme limitation in one area. It is essential to clearly and specifically describe how the person functions in all four areas. Activities of Daily Living (ADLs) are a source of information about all four of the functional areas. The principle is that any given activity, including an ADL task, may involve the simultaneous use of multiple areas of mental functioning. Below are some sample questions that you may want to use when gathering this information.

# A. Functional Area I — Understand, Remember, or Apply Information Remember Information

Do you notice any changes in your memory? Do you find it easier to remember things from the past or things that happened recently? What do you notice that is different about your memory? When do you notice this? Can you give me a specific example?

- When someone gives you directions or instructions, are you able to remember them? Do you use any techniques to help remember things?
- How often do you have difficulty remembering something, such as a person's name, an appointment time, or instructions?
- Was there ever a time that you forgot something that was really important? If so, what happened?
- When you are having difficulty, how much effort do you have to put into remembering?
- Are there any activities that you cannot do because of a problem with your memory or because you have trouble understanding the instructions?
- Do you take your medicine at the time that you are supposed to? Do you forget to take your medicine? How do you respond when you don't take your medicine?

# Understand and Apply Information

- Do you have difficulty learning a new task, for example, learning how to get to a new place? Can you tell me about a time that happened?
- If you gren't sure of how to do something, what do you do?
- When someone gives you more than three instructions on how to do a task, do you experience any difficulty in remembering the order of steps?
- When you begin to work on a task and something goes wrong, how do you correct it?
- Have you ever followed a recipe? Tell me about your experience with that.
- If the applicant has a work history: When you start a new job and are learning what to do, how quickly do you catch on?
- When someone asks you a question and you don't know the answer, what do you do?

#### B. Functional Area II — Interact with Others

#### Interacting with others in the community:

- If applicable: Do you maintain contact with your family? If not, why?
- How often do you go samewhere outside? Do you usually go by yourself or with other people?
  Do you prefer to be alone or with other people? Why?
- How often do you visit other people? Who do you usually visit? How often do other people come to see you?
- Describe any difficulties you have with traveling outside the house.
- Do you notice that you had friendships before that you don't have now? Do you have thoughts about that?
- Who do you see on a regular basis? How do you and \_\_\_\_\_ get along?
- What do you do if someone makes you really angry? How do you respond? What do you do?
- What do you do when you have general disagreements with others?
- Do you feel like you avoid being around other people? If yes, why?
- Are you in any groups? Do you like being in groups?
- What kind of person would you say you get along with best? Who gives you the most difficulty?

# Interacting with others in work settings:

- When you worked before, how did you get along with your supervisor? Your coworkers? If the
  applicant has never worked before, continue to ask the following questions related to the
  applicant's experience in the community or at school (if the applicant is a young adult)
- When someone corrects you, or tells you that you could have done something better, how do you respond?
- If you don't know how to do a task, at work or in general, what do you do?
- Have you ever disagreed with a rule at work or in the community? How did you handle that?
- Do you work better with a group of people or by yourself?

# C. Functional Area III — Concentrate, Persist, or Maintain Pace (as it relates to the ability to complete tasks in a timely manner)

- Have you noticed any changes in your ability to concentrate? If so, what have you noticed?
- Would you describe yourself as someone who is easily distracted or do you find you can stay focused on a task if you need to?
- When you work around others, do you find it difficult to complete your tasks or block out the noise and other distractions?
- Have you had any times in the past when you got into trouble at work due to talking too much with others or not staying on task?
- What do you enjoy doing? What do you have an opportunity to do? When did you last do this? Are there any changes in what you enjoy now and what you used to enjoy?
- Do you like to watch TV? If yes, what do you watch? Would you be able to watch an hour-long show and tell me about it shortly after you saw it?
- Do not ask this if you know the person is unable to read. What do you usually read? Do you do this often? Could you tell me what you just read if I asked you soon after?
- Ask the person to complete serial 7s (i.e., Subtract 7 from 100, then subtract 7 from that total ...
  until the person reaches 65). If the person can't do 7s, ask him or her to try serial 3s. Note what
  happens.
- Ask the person to follow a three-step instruction: Take this paper, fold it in half, and please return it to me.

# D. Functional Area IV - Adapt or Manage Oneself

#### Managing daily activities

- How do you spend your days? What time do you get up in the morning and go to sleep? How do you sleep?
- How many meals do you usually have in a day? What times? What do you eat? If you don't eat regularly, how come?

- If you needed to shop for food to last a few days, would you need assistance or is that something you can tackle yourself? Do you usually have someone go with you to shop? Who? What assistance does he or she provide?
- What do you know how to cook? When was the last time you were able to cook? What are your favorite foods to prepare?
- About how often are you able to bathe or shower? Is this what's been your usual routine? Do
  you need any assistance doing this? If the person doesn't bathe regularly: What keeps you from
  bathing or showering? (You want to distinguish between access and ability)
- When you have your own place to live, what kind of housekeeping things do you do an a regular basis? What kind of chares do you find difficult to do? If the person lives with someone else: How are the chares split up? Do you need reminders to do chares?
- Are you able to do your own laundry? How often do you usually do it? If not: How come? Who does your laundry?
- How do you usually get to places? Walk? Drive? Use public transportation? How does that work for you?
- Budgeting is something we all struggle with. How are you at budgeting? Are you able to set up a budget and stick with it or might that be something you could use assistance with? If this applies: When you have income, what usually happens to your money? Do you spend it right away or are you able to make it last?

### Adapting to change/challenges

- When a major change or event happens in your life, how do you respond?
- When a supervisor changes your tasks or expectations, how do you handle it?
- If this applies: How do you handle times when you have physical pain while at work?
- If this applies: You mentioned times when you feel [insert symptoms the applicant has discussed such as depressed or anxious]. Does that ever happen at work? How do you handle it?
- Tell me about some short term goals you have for yourself, then some long term goals.

#### WHAT WE MEAN BY "DISABILITY"

"Disability" under Social Security is based on your inability to work. You will be considered disabled if you are unable to do any kind of work for which you are suited and if your disability is expected to last (or has lasted) for at least a year or is expected to result in death. So when we ask 'when did you become unable to work,' we are asking when you became disabled as defined by the Social Security Act.
