2019 Scorecard for CoC Funds: New Projects

This scorecard will be used by the North Carolina Balance of State Continuum of Care (NC BoS CoC) Project Review Committee to score applications for new projects. The CoC prioritizes projects that serve households with severe needs and vulnerabilities, including chronic homelessness.

This scorecard has four goals:

- Fund organizations that have the capacity to run effective programs (can manage and administer the program, can operate on reimbursement basis, have experience serving this population or a similar one).
- Fund projects that reflect the NC BoS CoC & HUD's priorities: projects that meet community need, as outlined by the funding priorities document approved by the NC BoS CoC Steering Committee.
- Incentivize agencies to be good partners (participating in community efforts to end homelessness, on HMIS, helping create infrastructure for their community's homeless service system to operate effectively throughout the year).
- Ensure that funded projects are being good stewards of NC BoS CoC funding and performing to NC BoS CoC standards, including descriptions in written standards and the NC BoS CoC grantee agreement.

The BoS Project Review Committee may ask applicant agencies to provide additional information to determine agency capacity to: implement projects in a timely manner with successful outcomes, score well on the HUD Annual Performance Report (APR), and avoid jeopardizing overall agency stability or future funding for the NC BoS CoC.

Combined Scoring

This section is scored by two reviewers, a member of the NC BoS CoC Project Review Committee and an NCCEH staff person, and these two scores are averaged for each question. Find more information on the Project Review Committee in the NC BoS CoC Governance Charter: www.ncceh.org/bos.

2.2a	The Department of Housing and Urban Development (HUD) and the NC Balance of State CoC (NC BoS CoC) prioritize funding for certain homeless subpopulations, including people experiencing chronic homelessness, homeless Veterans survivors of domestic violence, and youth. Is this project targeting one of the subpopulations below? If so, does it describe additional outreach activities, partnerships with organizations that serve that population, and a service plan that meets that subpopulation's specific needs? If applicant does not demonstrate that the project will meet all standards, the application should not be included in the CoC competition. [RRH Program Standards Form, program eligibility requirements, sample lease, program policies and procedures]	
2.6a	Core Program Standard: Housing Identification	
2.6a1	Program designates staff whose responsibility is to identify and recruit landlords and encourage them to rent to homeless households served by the program. Staff have the knowledge, skills, and agency resources to: understand landlords' perspectives, understand landlord and tenant rights and responsibilities, and negotiate landlord supports. A program may have dedicated staff for whom this is the primary responsibility. If a program does not have a dedicated staff person(s) who performs this function, case manager job descriptions must include responsibilities including landlord recruitment and negotiation and at least some of the program's case managers must be trained in this specialized skill set to perform the recruitment function effectively. [RRH Program Standards Form, policies and procedures	Standard met unmet N/A unmet, documentation not provided why):
2.6a2	Program has written policies and procedures for landlord recruitment activities, including screening out potential landlord partners who have a history of poor compliance with their legal responsibilities and fair housing practices. [RRH Program Standards Form, policies and procedures]	Standard met unmet N/A unmet, documentation not provided
	Reviewer Notes (if unmet or documentation not provided, note	why):

² http://www.endhomelessness.org/page/-/files/Rapid%20Re-Housing%20Performance%20Benchmarks%20and%20Program%20Standards 2016.pdf

2.6a3	Program offers a standard, basic level of support to all landlords who lease to program participants. This support is detailed in a written policy distributed to landlords. Program can negotiate additional supports, as needed, on a case-bycase basis. [RRH Program Standards Form, policies and procedures] Reviewer Notes (if unmet or documentation not provided, note	Standard met unmet N/A unmet, documentation not provided why):
2.6a4	Program has a written policy requiring staff to explain to participants basic landlord-tenant rights and responsibilities and the requirements of their specific lease. [RRH Program Standards Form, policies and procedures] Reviewer Notes (if unmet or documentation not provided, note	Standard met unmet N/A unmet, documentation not provided why):
2.6b	Core Program Standard: Rent and Move-In Assistance	
2.6b1	Program staff are trained on regulatory requirements of all rapid re-housing funding streams and on the ethical use and application of a program's financial assistance policies, including, but not limited to, initial and ongoing eligibility criteria, program requirements, and assistance maximums. Program has a routine way to onboard new staff and to keep staff regularly updated on changing regulations and/or program policies. [RRH Program Standards Form, policies and procedures]	Standard met unmet N/A unmet, documentation not provided
	Reviewer Notes (if unmet or documentation not provided, note	why):
2.6b2	Program has clearly defined policies and procedures for determining the amount of financial assistance provided to a participant, as well as defined and objective standards for when case management and financial assistance should continue and end. Guidelines are flexible enough to respond to the varied and changing needs of program participants, including participants with zero income. (Note: guidelines should not offer the same amount and duration of assistance to everyone in the program. Financial assistance and case management should have a strictly applied end point. Policies and procedures and objective standards should individually determine the needs of each household and when assistance should continue and end for that household.) [RRH Program Standards Form, policies and procedures]	Standard met unmet N/A unmet, documentation not provided
	Reviewer Notes (if unmet or documentation not provided, note	why):

2.6b3	A progressive approach is used to determine the duration and amount of rent assistance. Financial assistance is not a standard "package" and is flexible enough to adjust to households' unique needs and resources, especially as participants' financial circumstances or housing costs change. Policies detailing this progressive approach include clear and fair decision guidelines and processes for reassessment for the continuation and amount of financial assistance. Policies and procedures also detail when and how rapid re-housing assistance is used as a bridge to a permanent subsidy or permanent supportive housing placement. [RRH Program Standards Form, policies and procedures]	Standard met unmet N/A unmet, documentation not provided why):
2.6	Core Program Standard: Rapid Re-Housing Case	
2.6c	Management and Services	
2.6c1	Except where dictated by the funder, program participants direct when, where, and how often case management meetings occur. Meetings occur in a participant's home and/or in a location of the participant's choosing whenever possible. (Note: The intent of this standard is that program participants are involved in creating a mutually agreed upon time, place and frequency of meetings with the case manager.) [RRH Program Standards Form, policies and procedures]	Standard met unmet N/A unmet, documentation not provided
	Reviewer Notes (if unmet or documentation not provided, note	why):
2.6c2	When case management and service compliance is not mandated by federal or state regulation, services offered by a program have voluntary participation. (Note: HUD requires CoC programs to meet with participants once a month but does not require programs to dictate the location, duration, or topic of the meeting and does not require programs to terminate participants if they fail to attend scheduled meetings.) [RRH Program Standards Form, policies and procedures]	Standard met unmet N/A unmet, documentation not provided
	Reviewer Notes (if unmet or documentation not provided, note	why):
2.6c3	Program has clearly defined relationships with employment and income programs that it can connect program participants to when appropriate. [RRH Program Standards Form, policies and procedures]	Standard met unmet N/A unmet, documentation not provided
Reviewer Notes (if unmet or documentation not provided, note why):		

2.6c4	Program has clearly defined policies and objective standards for when case management should continue and end. These guidelines are flexible enough to respond to the varied and changing needs of program participants. In instances where cases are continued outside of these defined policies and objective standards, there is a review and approval process. [RRH Program Standards Form, policies and procedures]	Standard met unmet N/A unmet, documentation not provided
	Reviewer Notes (if unmet or documentation not provided, note	why):
2.6d	Core Program Standard: Program Philosophy and Design	
2.6d1	Program staff are trained on the principles of Housing First and oriented to the basic program philosophy of rapid rehousing. Program has routine way of onboarding new staff that includes training on Housing First and rapid re-housing principles. [RRH Program Standards Form, policies and procedures]	Standard met unmet N/A unmet, documentation not provided
	Reviewer Notes (if unmet or documentation not provided, note	why):
2.6d2	Program has well-defined and written screening processes that use consistent and transparent decision criteria. Criteria do not include screening possible participants out for income or lack thereof. [RRH Program Standards Form, RRH Program Eligibility Criteria]	Standard met unmet N/A unmet, documentation not provided
	Reviewer Notes (if unmet or documentation not provided, note	why):
2.6d3	Eligibility criteria for the program do not include a period of sobriety, a commitment to participation in treatment, or any other criteria designed to "predict" long-term housing stability other than willingness to engage the program and work on a self-directed housing plan. [RRH Program Standards Form, RRH Program Eligibility Criteria]	Standard met unmet N/A unmet, documentation not provided
	Reviewer Notes (if unmet or documentation not provided, note	why):
2.6d4	Leases for program participants are legally binding, written leases. Leases with additional requirements, such as drug testing or program participation, are not allowed.
