### **€** Racial Equity Sub Committee Update

o The Racial Equity Sub Committee continues to explore ways to make improve our processes, making them more equitable. The committee is currently working on evaluating scorecards going forward. Overall, it will reflect some level of racial equity work your agency is doing regarding staff and/or serving clients. The goal is to really take a deeper look at the populations we are serving and how we can best serve them. The Racial Equity Sub Committee is also looking into different housing assessments that can be used across the state that are more equitable as well as continuing to discuss changes that can be made to the VISPDAT.

#### € State COVID Vaccine Prioritization of NC Homeless Population-

o NCCEH helped coordinate 400 signatures for organizations and individuals across the state asking for reprioritization for individuals

receiving homeless services and service providers. If you are not attending the weekly COVID-19 stakeholder meetings and would like more information, please reach out to Andrea Merriman at (andrea@andreadmerriman.net). The stakeholder meetings provide great updates on vaccination guidance, COVID-19 stats as well as vaccine operational guidance for homeless providers. If you have not already, please also reach out to your local health department to create a vaccination plan for staff and clients. Also, the VA has opened up vaccines to all veterans who are eligible for VA healthcare. If you know of an eligible individual have them contact the VA to get scheduled for their vaccine.

#### **€** COC Subrecipient Orientation

o The COC Subrecipient Orientation is coming up and was sent out to those that are new subrecipients of the grant. HUD announced the initial steps of COC intent to apply, this is mandatory for all agencies intending to apply for funds. The deadline will be two weeks after the Notice of Funding Availability (NOFA) is Released. The intent to apply form is already posted on the NCCEH website. For more information on COC and ESG funding as well as awards list check out ncceh.org.

If you are a County or agency lead and you did not receive this information, please contact Samantha Hall at (Samantha.hall@fccrowan.org).

#### PRC Coordinated Entry Update- Teresa Robinson-

There are currently nine RRH openings. These openings will be discussed more specifically in the
case conferencing meeting to follow. NCCEH is creating a resource document in English and
Spanish for the public to access. This document will include resources that provide detailed
guidance for people seeking services. This document is proposed to work as a streamline
process for individuals in the community seeking services. Email Teresa
(trobinson@communitylinknc.org) if you have any agencies that should be added to the
resource document.
